

SOCIETY VIEWS

It is the intention of the Daily Telegram to make the Saturday evening society column a complete review of the social functions of the week. To this end the editorial department kindly asks society devotees to telephone or send the news of social affairs to this office and no pains will be spared to give it proper publication.

The banquet to be given in the dining hall of the Waldo hotel to-night by the Clarksburg Council, No. 28, United Commercial Travelers, will no doubt be the biggest event not only in the history of the council itself but in the history of all Clarksburg secret orders. An elaborate menu has been prepared and much time and work has been devoted to the arrangements by the members of the committee who have the affair in charge. The members of the council will meet in the lodge rooms in the Rookery building at 7:30 o'clock at which time the regular annual business meeting will be held. Officers for the ensuing year will be elected and installed and fifteen candidates will be initiated. At nine o'clock or as soon as the business meeting is over, the council will meet in the lobby of the Waldo hotel for the banquet.

Quite a number of Clarksburgers will go from here to Morgantown on March 14 to attend the Richard Strauss' concert to be given in the afternoon and evening of that day. The concert is considered to be rare treats to lovers of music as Strauss is the recognized monarch of modern music.

Mrs. Luther C. Shinn had her first birthday anniversary Monday in the past

eight years, being 62 years of age on the 29th of February. Her friends knew about it and planned a happy surprise party. The guests were comprised of Mesdames Floride Davis, Lucy Hays, Jennie Monroe, Charles Haymond, Mary A. Davis, J. W. Carder, Allison Robinson, Thomas Koon, Mary M. Monroe and Misses Rebecca Delbridge and Mary J. Davis. Mrs. Shinn was the recipient of a number of nice and useful presents. The function was one of the most delightful of the year in Shinnston.

The first annual banquet of the Harrison County Medical Society held in an auspicious event in the history of the Waldo hotel Tuesday evening was the society.

At 8:30 o'clock the members of the society assembled in the ball room on the sixth floor of the hotel and held the regular monthly business meeting. The meeting was presided over by Dr. O. A. Flowers. An address was delivered by Dr. L. D. Wilson, of Wheeling, touching upon the progression of the medical profession and of the objects and work of the medical societies throughout the country. It was very able and interesting and was listened to attentively by the doctors. Dr. McDonald, of Fairmont, and Dr. Holt, of Weston, also made addresses upon matters of interest to the medical profession and to the society.

At the close of the business meeting the body adjourned to the dining hall on the second floor where the banquet table was spread. A sumptuous feast was served to which all of the gentlemen present did full justice.

Dr. A. O. Flowers, the president of the

society, presided also at the banquet table and filled the duties of toastmaster. Toasts were responded to by Drs. Chester R. Ogden, R. A. Haynes, E. N. Flowers, T. M. Hood, H. E. Sloan, L. D. Wilson, of Clarksburg and Dr. McDonald, of Fairmont, and Dr. Holt, of Weston.

It is the intention to hold meetings such as this one every year. The society numbers about thirty-five members of the medical profession in Harrison county. There were about thirty guests at the banquet table, including both members and invited guests.

The committee in charge of the meeting was composed of Drs. Hood, Mason, Louchery and Sloan and they received deserved praise for the excellent arrangements for the affair.

Messrs. Charles Smiley, W. W. Jamieson, M. B. Curkendall, Frank Simpson and F. G. Viger were delightfully entertained at a banquet in the Metropolitan hotel Tuesday evening by their friend, Mr. H. B. Hogg, of Parkersburg, agent for the National Supply Company. The banquet was served in the private dining room of the hotel.

Much interest is being manifested in the lecture to be given by Attorney Philip Willett, in the Central Presbyterian church Monday evening next. Mr. Willett's subject will be "Crusades." He is an eloquent speaker and has received many highly complimentary notices on the occasion of former lectures he has given. The lecture is to be given under the auspices of the King's Daughters and the proceeds are to be used for local charity. Tickets can be procured at Wagner's hotel or the James-Shepherd book store.

Tuesday night was "Weston Night" at the lodge rooms of the Benevolent and Protective Order of Elks in this city.

Three brilliant lights of the Lewis county bar and one of Weston's prominent business men were made members of the Clarksburg lodge, though only after the most trying and nerve-racking ordeals. The members who suffered the tortures of initiation were Messrs. Andrew Edmiston, William B. McGary and Robert Linn Bland, lawyers, and William E. Donlan, real estate dealer.

With the Westons which were added to membership Tuesday night, there are now thirty-one Weston members of the Clarksburg lodge, which now has a total membership of something like 160.

About one hundred and twenty-five of the members were present at the meeting and a royal good time was enjoyed by all. At the close of the initiatory ceremonies the lodge resolved into social session and a delectable banquet was served by a corps of waiters under the direction of Swager, the caterer. The Clarksburg opera house orchestra rendered an excellent musical program which was interspersed with speeches, recitations and vocal solos, by the different members, and which were hugely enjoyed by the august assemblage. The initiation was the last one of the Elk year.

A large number of the members and friends of Christ Episcopal church attended the church tea given at the residence of Mrs. J. J. Duncan Wednesday evening under the auspices of the Parish Aid Society of the church. The affair was a gratifying success both socially and financially and the society netted a neat sum which is to go towards the church fund.

A musical program was rendered, commencing at 7:30 o'clock. Miss Duncan sang a beautiful solo in her usual charming manner. The musical numbers by Miss Boggess, Miss Frot and Mr. H. T. Hutson were enjoyed very much. The entire evening was spent in a very enjoyable manner by all who were present.

A Thousand Dollars Thrown Away.

Mr. W. W. Baker, of Plainview, Neb., writes: "My wife had lung trouble for over fifteen years. We tried a number of doctors and spent over a thousand dollars without any relief. She was very low and I lost all hope, when a friend suggested trying Foley's Honey and Tar, which I did; and thanks be to this great remedy, it saved her life. She is stronger and enjoys better health than she has ever known in ten years. We shall never be without Foley's Honey and Tar and would ask those afflicted to try it." Sold by Stone & Mercer, C. D. So Deceptive

Many Clarksburg People Fail to Realize the Seriousness.

Backache is so deceptive. It comes and goes—keeps you guessing. Learn the cause—then cure it. Nine times out of ten it comes from the kidneys.

That's why Doan's Kidney Pills cure it.

Cure every kidney ail from backache to diabetes.

Here's a Clarksburg case to prove it.

Mrs. S. N. McClaskey, wife of S. N. McClaskey, carpenter, of 744 Mulberry street, says: "For some time Mr. McClaskey complained of pain in his back and other symptoms of kidney complaint. Often the pain was torturing to stoop or lift and if he even remained long in one position dull aching, very difficult to describe and harder to endure, ensued. As time passed each succeeding attack was more prolonged and more pronounced until they continued for a week or ten days at a time, rendering Mr. McClaskey unable to go about. Learning about Doan's Kidney Pills, he went to Wells & Haymaker's drug store for a box and tried them. This remedy acts directly upon the kidneys. You can tell that from the action and condition of the kidney secretions. When they are rendered normal backache ceases, at least, this is the result to my husband's experience with the remedy."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States. Remember the name—Doan's—and take no substitute.

Four bottles of this wonderful remedy cured me entirely of the cough strengthened my lungs and restored me to my normal weight, health and strength." Sold by Wells & Haymaker.

WALKER

Will Be the Democratic Nominee For Governor of This State Reiterates Mr. Fowler.

Hon. James B. Fowler, of Worthington, well known throughout this congressional district, and being one of the leading participants in the councils of the Democratic party, was a city business visitor Thursday. He says he is still a candidate for election as a delegate to the national convention at St. Louis and that his prospects are bright. He says he has not changed his mind about who should be and most likely will be the Democratic nominee for governor in this State. As will be remembered he said a few weeks ago that Stewart Walker is the man who will get that nomination and he still thinks so.

Wakelul Children.

For a long time the two year old child of Mr. P. L. McPherson, 59 N. 10th street, Harrisburg, Pa., would sleep but two or three hours in the early part of the night, which made it very hard for her parents. Her mother concluded that the child had stomach trouble and gave her half of one of Chamberlain's Stomach and Liver Tablets, which quieted her stomach and she slept the whole night through. Two boxes of these Tablets have effected a permanent cure and she is now well and strong. For sale by G. C. Stone, druggist.
